Re: Project Linus blanket donation

Dear Ms. Mallo and State of Iowa Youth Advisory Council ,

Thank you very much for the beautiful blankets you recently donated to Project Linus. We really appreciate your time, talent, generosity and support of our organization.

Thank you for your support of the Project Linus mission which is to provide love, a sense of security, warmth and comfort to children who are seriously ill, traumatized, or otherwise in need through the gifts of new, handmade blankets. It seems like such a simple gift but we know that each blanket has a tremendous impact on children and families.

Thank you for helping children smile and showing them that our community cares during difficult times! Thank you, also, for the work that you do to promote and maintain awareness of youth issues throughout our state. Youth helping other youth is a powerful way to change our community in meaningful ways!

Sincerely,

Kelley Glotfelty

Thank you! The blankets you made have been delivered to Hamiltons Funeral Home for the children they work with who are grieving the loss of a loved one.
